## BONUS Lifetime Map Update!

Garmin is excited to announce its Bonus Lifetime Map Update promotion when you purchase a selected nüvi or zūmo from 28th of July to 30th of September. Complete the online entry form and you will receive a Bonus Lifetime Map Update valued at \$189 RRP. This fantastic promotion starts on 28th of July so ensure you purchase one of the selected GPS units for their Bonus Lifetime Map update. Just visit your local Leading Edge Electronics store and ask our friendly staff which GPS is best for your special Dad this Father's Day.

**GARMIN.**

## GARMIN. Nüvi 3760 GPS

**World's Thinnest GPS!**

8.7mm thin, Multi-touch glass display, dual orientation, Real View Advanced Lane Guidance, Bluetooth hands-free calling, Australia and New Zealand dual mapping, ecoRoute for fuel efficient navigation, Lane assist and 4.3" widescreen. Nüvi 3760

**\$449**

## GARMIN. Nüvi 465T Trucking GPS

Supports multiple truck profiles and features advanced routing and guidance to support truck-related road restrictions such as height, width, length, weight and hazardous materials. Users can easily enter the truck's dimensions and load restrictions and it will adjust routes based on the customised truck profile and map data available.

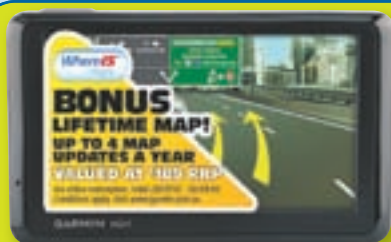

*Limitations may exist in the map data such that vehicle height/clearance, length and weight may not be accounted for in all route suggestions. 010-00786-20*

4.3" widescreen, Real View Advanced Lane Guidance, Bluetooth, Lifetime traffic, Australia and New Zealand dual mapping, safety cameras.

**\$329**

010-00782-05

## ecoRoute HD

The affordable Garmin ecoRoute HD accessory brings you a first in real time vehicle diagnostics. It's easy to install, simply plug the ecoRoute HD module in your car's diagnostics port (OBD II) to receive vital performance data such as engine temperature, RPM and emissions. With on-screen descriptions of up to 4000 Diagnostic Trouble Codes, ecoRoute HD can display diagnostic information through Garmin's intuitive interface and monitor your car's performance every time you drive. ecoRoute data such as driver challenge scores (speed, acceleration and braking) is included for fuel efficient navigation.

Compatible with nüvi 1260, 1390, 1390T, 1490T and 1690 (nüvi sold separately).

**\$199**

**Garmin Terms & Conditions** Promotion commences on 28/07/2010 and closes at 5.00pm AEST on 30/09/2010 ("Promotional Period"). Final claims close at 5.00pm AEDST on 15/10/2010. To be eligible to claim, individuals must, during the Promotional Period, purchase any Garmin nüvi or zūmo product (excluding nüvi 255 and nüvi 465T) from any authorised Garmin retailer. Purchases made through any online bidding or auction websites are not permitted. To claim, individuals must then visit [www.garmin.com.au](http://www.garmin.com.au), follow the prompts to the competition entry page, input the requested details, attach a scanned copy of their purchase receipt(s) and barcode(s) or upload a photograph of their purchase receipt(s) and barcode(s) and submit the fully completed online entry form by 5.00pm AEDST on 15/10/2010. Claims received after this date will be deemed invalid and ineligible. In the case that an individual cannot provide an electronic copy (either scanned or photographed) of their purchase receipt(s) and barcode(s), they can submit their fully completed online entry form without attaching their proof of purchase. They will then be sent an email from the Promoter containing their completed entry form. Individuals must then print the completed entry form, attach a photocopy of their purchase receipt(s) and barcode(s) and send together to Garmin Australasia Pty Ltd, Attn: Promotions, PO Box 684, Seven Hills NSW 1730 so that it is received by 5.00pm AEDST on 15/10/2010. For more information, visit [garmin.com.au](http://garmin.com.au)

**\$79<sup>95</sup>**

## USB Slide/Film Scanner

Convert your negatives and slides to digital images quickly and easily with this USB scanner. Images are scanned in about half a second for high-speed conversion and editing using the included Arcsoft Photo impression software or one of many other image management programs. XC4881

**\$84**

## Slide/Film Scanner with LCD

Record digital images of your film negatives and slides before they fade away. So simple to use and it doesn't even need a computer to operate. Insert a SD/MMC card and load your negatives or slides into the image holder and start scanning. Each scan takes a matter of seconds so you can have a whole album archived in minutes. Includes slide/film holders, and brush cleaner. XC4891

**\$199**

## LET 'ER RIP!

Do you love your old vinyl record collection? Do you have old cassettes that you want to keep listening to? The answer to this is to make copies of your record and cassette collection onto CD or convert to a digital file format such as MP3 or WAV! You can now download your old music onto the hard drive of your PC, then burn them onto CDs or save them to an MP3 Player or Digital media device. You can also convert your old photos/slides into digital images for easy storage. Leading Edge Electronics has a selection of USB connected turntables, cassette player and slide/film scanners that makes this process very easy. Come in and ask us, we will give you all the advice you need to turn old into new!

This catalogue must be read subject to these terms and conditions. Catalogue terms and conditions: All products advertised are sold by Leading Edge Electronic (LEE) stores which are independently owned and operated businesses. Leading Edge Group Limited ACN 093 019 213 (LEG) does not operate LEE stores, and does not make any offer by this catalogue. Prices are subject to change by individual LEE franchisees, and do not include display accessories, options or delivery. Some catalogue products may not be on show or available at each LEE franchised store, however where any catalogue product is not in stock the relevant store manager will endeavour to obtain it from a supplier or failing that, the store manager will endeavour to obtain an equivalent product. Images of goods published in this catalogue without any advertised price are not available for sale. Delivery times for individual products may vary and indicative delivery dates will be given by the relevant LEE franchisee to the customer when the order is placed. Prices may vary between LEE franchised stores. Savings are off manufacturers' recommended retail prices or the normal prices charged by each relevant LEE franchisee, as determined by that relevant LEE franchisee. Prices of goods described in this catalogue and offered for sale by LEE franchisees located out of the Sydney metropolitan area may be higher than prices in this catalogue. Products advertised as limited or clearance are only available while stocks last and rainchecks are not available. Finance and warranty arrangements may not be available in all stores. Quantities per customer may be limited to normal retail quantities. LEE complies with the National Privacy Principles. Full details are available in LEE stores. OptiRent (or OptiKeep) are consumer and business rental agreements offered by Retailase Pty Limited ACN 077 946 064.
